# Cookies We Use

**Strictly necessary Cookies.** These are Cookies that are required for the operation of our website. They are necessary for the safety, security and integrity of the site. For example, they help support the structure of the pages that are displayed to you, help to improve navigation and allow you to return to pages you have previously visited. This type of Cookie only lasts for the duration of the time you are visiting the website. They are deleted automatically when you leave the website.

**Performance Cookies or analytical Cookies.** They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily. The stored data and cookies are anonymised, which means you cannot be identified as an individual and meets GDPR privacy requirements.
